

TPP v.1.1.9.1 updated

24.06.2023

If paid support expired before 24.06.2023, this TOPODRONE Post Processing version will not work for a user. It is necessary to either pay for support or download previous version distributive, the release date of which is earlier than the expiration date of paid support.

Get the distribution: [TOPODRONE Software Distributor](#)

+ **Added:** New PRJ filtering. Progressive full-text search is used. The search result is displayed line by line by full PRJ path.
